

IPTV Channels

NOTE: Northeastern's IPTV channel lineup is subject to change. This channel listing is accurate as of January 6, 2016.

Internet protocol television (IPTV) service is provided through a partnership with Comcast and delivered through the XFINITY On Campus™ portal. This service is only available to students living in university-owned residence halls. Information on logging into XFINITY On Campus portal be found on the ITS website: northeastern.edu/its/howto/setup-iptv.
